# Where do I start?

- When starting any search process, it's good to get some basic information; there's no better place than the website.
- Whether you're interested in the military, community college, apprenticeships, or a university, the website will have information on
  - requirements
  - costs/fees
  - deadlines
- If you do not know the website, GOOGLE is an amazing resource.

# Get it done now.

- Finish up any last-minute college visits before schools break for summer.
- If you know you will be applying to highly selective schools (i.e. using the Common Application), start tackling the essay NOW. You will have other essays and a full course load to worry about senior year.
- Make this summer count- volunteer, review summer opportunities in the Guidance Office, or get a part-time job to help bulk up your resume.
- Complete your **Recommendation Survey** in the **About Me** tab. This is required when you request letters of recommendation from teachers and counselors.

# Then what?

- Once you get to the organization's website, there should be clear organization to help you navigate. (e.g., For colleges, there will be an "apply now" or "prospective students" link.)

# After you have applied

- You will normally be asked to send transcripts and test scores.
- You can do this by visiting your Naviance account.

# Naviance/Family Connections

Naviance will help you with your college process. This includes:

- Sending transcripts to the colleges or schools you apply to
- Requesting letters of recommendation
- Viewing and applying for scholarships
- Overall tracking of documents that have been sent, etc.

## Welcome letter

Dear Student,

I am pleased to introduce Family Connection from Naviance, a Web-based service designed especially for students and parents. Family Connection is a comprehensive website that you can use to help in making decisions about courses, colleges, and careers. Family Connection is linked with Counselor's Office, a service that we use in our office to track and analyze data about college and career plans, so it provides up-to-date information that's specific to our school.

## Teacher Recommendations

[add/cancel requests](#)

No teachers currently listed.

This is where you will request letters of rec from your teachers and counselor. Please include your deadline date(s) and any important details in your note to them.

\* Difficulty of admission specifically for you as estimated by your counselor

† College information is provided by the colleges themselves. Costs, dates, policies, and programs are subject to change, so please confirm important facts with college admission personnel.

### 3. Send your ACT/SAT scores.

- For most schools, you can request your transcripts with an administrative assistant in the Guidance Office.
- Some schools- including highly selective schools (**AND Mizzou**)- require scores directly from ACT or SAT. You can submit your scores by visiting their respective websites and paying the fee for each transmission.

\*Hint: The ACT allows you to send your score to 4 colleges each time you register. If you listed an institution as one of the 4 schools on your ACT registration, that works too.

# A note about courses for next year

- NCAA- Potential college athletes are required to have a specific number of core classes, as well as a certain core GPA in order to be eligible. If you have questions about this, please talk to your counselor.
- MSHSAA- To participate in a sport at North, you must be registered for 6 courses (i.e. only one non-academic course such as partial attendance or office aide).

# Transcript Release Form

- Naviance will not allow students to request transcripts without first turning in their completed Transcript Release Form with parent signature.

# Notes about this summer.

Our office will not process transcript requests from the end of summer school until counseling staff returns (i.e., no transmitting documents during the month of July), so please plan accordingly.
