

Alliance for Healthy Communities

March 1, 2016 meeting agenda

3:30 to 5 PM, Parkway ISC

AHC General Mtgs.
1st Tuesday/mo.
3:30 to 5pm
12657 Fee Fee

Alliance Vision: To create a community empowered to make positive choices through knowledge, skills and resources.

Alliance Mission: Engage the community to reduce youth substance abuse and risks for suicide by raising awareness and changing community norms.

3:30 Welcome and Introductions

3:40 Announcements

- CAPY February 11 Winter Event- *summary*, **Earl Barge, CAPY Chairperson**
- Parkway *Risky Behaviors* Community Meeting, March 2, 6:00 pm **Ken McManus, AHC Director**
- Parkway-AHC Heroin-Opiates Update Town Hall **Ken McManus, AHC Director**
- 2016 Topic Calendar
- 2016 Prom and Graduation *Safe Celebrations plans* **Ken McManus, AHC Director**
- NCADA Calendar **Lori Krueger, Regional Support Specialist**

3:45 Behavioral Health Response: Accessible Crisis Intervention **Bart Andrews, Ph.D.**

Behavioral Health Response (BHR) is a long established and well respected local and national resource. BHR provides a variety of behavioral health interventions, including onsite and call center crisis intervention and referral. Dr. Andrews, BHR's vice president and clinical director, will provide an overview of BHR's history, services and the "how it works" details that will enable AHC members' in utilizing this resource.

4:30 Naloxone (Narcan) Access, First Responders, Cops and School Nurses- **Karen Sage, MSN (Cand), and Det. Casey Lambert**

Naloxone (Narcan), the antidote for opiate/heroin overdose, is becoming available through first responders, and most recently, area police. Further, making this life saving medicine available through school nurses is of growing community interest. Ms. Sage and Det. Lambert will update AHC members on the plans and progress in expanding Narcan availability.

5:00 Adjourn- **THANK YOU FOR YOUR ATTENDANCE AND SUPPORT**

Extended Work Session until 6 pm
for those able to attend.

Next Meeting: April 5, 2016
Topic: Changing Trends in Drug Use
