3:35 AHC Looks to Contribute to Regional Marijuana Awareness Campaign
Amy Weiland, Crossroads Program

Regionally, momentum has been established for implementing effective strategies for assuring the accuracy of information community members have about marijuana. As efforts to legalize marijuana garner public attention and legislative support, it is crucially important that we help assure widespread availability of truthful and useful information.

4:00 Coalition Kaizen Sgt. Anica Jankowski, National Guard Counterdrug Task Force

The Coalition Kaizen is an evaluation tool designed to measure various facets of stakeholder engagement with Alliance for Healthy Communities (AHC), its processes and vision. This Kaizen will provide an important baseline assessment against which future Kaizen administrations will be compared and contrasted. Further, the Kaizen will guide next steps in increasing stakeholder connections and involvement with AHC. Thank you for participating in this important assessment tool.
