### A Message from PTO Leadership

Welcome to the 2021-2022 school year at McKelvey Elementary! All are welcome and are already members of our great PTO.

Our purpose is to support and enhance the education of McKelvey students and to be a forum of communication.

This year will continue to be unique and we will communicate as efficiently as we can. The best way to follow along is to join the McKelvey Elementary PTO group on Facebook.

We will communicate any opportunities to volunteer and participate on there, as well as including information in the McKelvey Messenger. We look forward to continuing McKelvey's amazing legacy with you!
