Henry Trunk Treat FAQs

What is a "Trunk-or-Treat"? A fun family event to trick-or-treat with your kids in a safe environment and have a great time with other Henry families!

How does it work? The event will be held outside on Henry School grounds - Front and Back of school. Entry for cars will begin at 2:30. (Those entering without a vehicle will enter at 3:30.) The parking area will "close" (no cars allowed to enter or exit) from 3:15-5:30 so that everyone can safely enjoy activities, food and trick-or-treating from car-to-car; space-to-space.

Don't want to drive? You are welcome to walk to the event. **Registration (including \$10/family) is required**, check in at the event at 3:30. **Parking spaces are reserved for cars (decorated trunks or not).** If you're planning to not bring a vehicle and are walking, please drop off your treats to share to school prior to October 21st please include your family name on the bag you are dropping off. These will be spread amongst the parking spaces and distributed to all trick/treaters during the event.

What will the event cost? The cost is \$10.00 per family (whether walking or parking, EVERYONE pays to play;). *Please remember, if you are not bringing a vehicle, drop your treats off at school by October 21st we will distribute to the parking spaces for hand-out on October 23rd! This will help ensure there are enough treats for all trick-or-treaters!*

What will the event include? Dress-up in your costume and decorate your trunk! We will kick-off the event at 3:30 with a Costume Parade for all the kids. Following that the children will be able to trick-or-treat from car-to-car. **Please remember to bring peanut/nut-free candy options or small toys as well.** Candy must be **commercially prepared and commercially individually packaged**. Consult the following website for allergy safe treats:

<http://snacksafely.com/snacklist.pdf> Please plan for about 300 trick-or-treaters.

From 3:30-5:30 we will have Lily's Café Food Truck, Bubble Party, and a DJ spinning spooky dance music to get your ghostly groove on!
