

2020 PARKWAY CENTRAL BOYS BASKETBALL CAMP

For players entering 4th thru 8th Grades

Our camp is for any young man that is interested in improving his skills in the game of basketball. During the week, each camper will improve their fundamentals, participate in a variety of competitions and contests, and play in simulated game action. The goal of the camp is for players to have fun and improve their game! Most of all, we hope each camper will enjoy the experience and have a desire to become a future member of the Parkway Central Boys Basketball Program.
