

Science Safety Guidelines for Students

I will **always**:

1. Report accidents immediately to my teacher.
2. Report anything broken immediately to my teacher.
3. Follow directions.
4. Follow all special rules for special activities.
5. Never run, push, or horse around.
6. Sit properly in my chair and push it in when finished with it.
7. Avoid smelling materials or putting them in my mouth unless my teacher gives me permission.
8. Wait for permission from my teacher before I handle any equipment, materials, or solutions.
9. Use equipment properly and only for its intended purpose.
10. Return all equipment and supplies to its proper place with care.
11. Wear protective apparel as required.
12. Follow the lab safety symbols discussed in class.

I have read, understand, and agree to abide by the above rules.
